## **CALL TO DUTY DURING DIRE TIMES:**

Every year a few more collegiate wrestling programs fall victim to interpretations of Title IX, budgetary issues or the lack of general support. Year in and year out our community is paralyzed with shock and disbelief, yet very little changes. When nothing changes, then nothing changes. And the dark cycle of destruction continues. New York State has lost 39 collegiate NCAA or NJCAA wrestling programs alone. There isn't a D-I, II nor III NCAA Wrestling program within 65 miles of Albany NY. It's imperative that there is a proactive philosophy. Not reactive. Nearly 1/3 of all D-I Wrestling programs will compete in NY State within a six-day period. It's your duty and obligation as a soldier in the wrestling army to be a part of this greater cause. Come witness greatness. Are you going to wait for another program to fall or embrace the cause now? Seriously, are you? A platform has been created for you to witness wrestling excellence. Don't ignore this personal call to duty, because if you don't make the concerted effort – who will?

**Be Inspired, Be supportive, Be proactive and Be there! No excuses.  
Don't you owe it to our great sport of wrestling ?**
