Season Outlook:

The Spartans are coming off of their best season in NCAA competition with a 3rd place NCAA Regional finish, and a school record five NCAA Division III National Qualifiers during the 2012-2013 season. Their highest NCAA Championships team finish was 8th when Evan Brown capped his season with an NCAA title along side UD NCAA All-Americans Josh Terrell & Sam Johnson in 2010.

The loss of two NCAA qualifiers will be tough, but returning qualifiers Travis, Kubica, & Powell are all back with NCAA experience. The team is well-situated to have an improved NCAA regional & NCAA tournament finish, but national success will depend on the development of wrestlers like 30 match winner & team captain & NCAA Academic All-American Derek Mizaur & IIAC Academic All-American Cody Ortman. Add into the mix a tough incoming class featuring eight state placemen including Illinois state champion Logan Staver. Expectations are high for a team that has eyes on a team trophy in March.
